

# Daniel Nelmes-Love

Web Developer & Designer

## PERSONAL STATEMENT

I'm a 27 year old Web Developer & Designer working in education to create **engaging online experiences** for staff and students from all walks of life. I also work as a volunteer freelancer on both Web Development and Excel Automation projects.

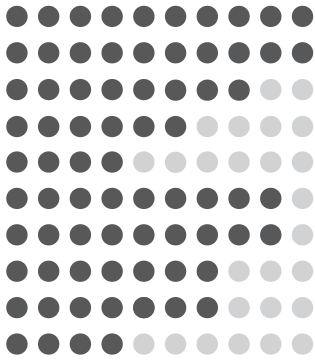

I specialise in future proofing and automation content using **JavaScript** with **jQuery** and third party **APIs** with **Ajax**. I really enjoy working with others in an **agile** environment that promotes creativity.
