

Daniel Nelmess-Love

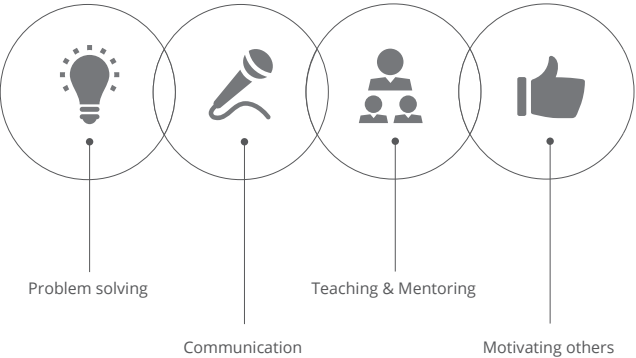

Web Designer & Developer

PERSONAL STATEMENT

I'm a 27 year old Web Designer & Developer working in education to create **engaging** online **experiences** for students from all walks of life. I also work as a volunteer freelancer on both Web Development and Excel Automation projects.

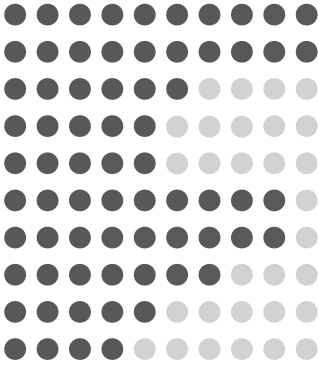

I specialise in **UX Design** and **future proofing**; providing solutions that are both well designed and flexible. I enjoy working with other like-minded people in a creative environment that promotes productivity and results.
