

TE REO MĀORI NCEA LEVEL 3

SUGGESTED PROGRAMME OF LEARNING

This is a suggested course planner if you:

- begin the course in Term 1
- want to enter for external NCEA Level 3 Te Reo Māori standards in Term 4.

If you enrol later in the year contact your Te Kura Te Reo Māori teacher to discuss an adjusted programme for you to follow. If you have any questions contact your Te Kura Te Reo Māori teacher. The timeframe is a guideline. You will also need to spend time on assessment activities.
