

Daniel Nelves-Love

Web Developer & Designer

PERSONAL STATEMENT

I'm a 27 year old Web Developer & Designer working in education to create **engaging online experiences** for stakeholders from all walks of life. I also work as a volunteer freelancer on both Web Development and Excel Automation projects.

I specialise in **Front-end Design** and future proofing content using **JavaScript** with **jQuery** and **API** with **Ajax**. I really enjoy working with others in an **agile** environment that promotes creativity.
