# Daniel Nelmes-Love
Web Developer & Designer

PERSONAL STATEMENT

I'm a 27 year old Web Developer & Designer working in education to create **engaging online experiences** for staff and students from all walks of life. I also work as a volunteer freelancer on both Web Development and Excel Automation projects.
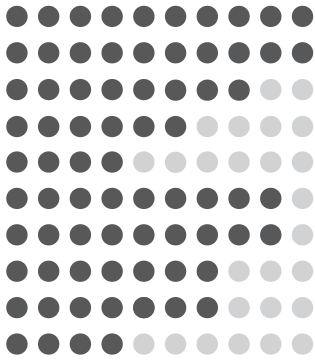

I specialise in future proofing and automation content using **Javascript** with **jQuery** and third party **APIs** with **Ajax**. I really enjoy working with others in an **agile** environment that promotes creativity.
